

# Glass Bottom Mobile App

Fuyi Yang

IXD\_617\_01: Advanced Tech: Mobile Web

# Statement

**Discover local fishing spots, track all your catches and findings with a robust logbook.**

## Main Feature

- Explore local fisging maps that show locations, photos/videos and catch details
- Record the best time to fish for every location
- Create your personal logbook and capture details of every trip

## Fishing Maps

- Discover new fishing spots near you
- Save fishing hotspots and log GPS coordinate with photos, videos and descriptions
- Map filtering by catches, fishing spots, reports.

## Personal Logbook

- Upload your photos or videos to create your own digital fishing log and capture the details of every catch
- Log a catch with weather conditions, water temperature, sun & moon phases & more

## Fish Species

- Track and follow any type of fish in any body of water from your local lake to the ocean
